To: Chairman Lee Duncan, Planning Commission

Re: Application 201501518, 710 Windsor Parkway

Dear Mayor & Chairman:

The High Point Civic Association strongly opposes the above-referenced zoning Application. The nearby homeowners do not support increasing the existing R-3 designation to R-4, and we are disappointed that the real estate community continues to try to subdivide existing lot boundaries. We do not want 9 homes on 2.648 acres.

Thank you for your consideration on this important matter.
